FEW VALUABLE RECOGNITIONS

Dr. Devendra Patil - Founder. Ishaan Urology & Kidney Care Hospital.

Our hospital is very pleased with The DigiMasters flexibility, technical expertise and outstanding customer service for past 6yrs. The Hospital Management Software designed & developed by them is highly recommended and is perfectly customized to our needs...

Mr. Pramod Bidkar - Chairman & Managing Director. Vitesse Travels Pvt Ltd. Pune

I would highly recommend The DigiMasters, We are very pleased with their service, knowledge, project management techniques, communication skills, and off-hour availability. This combination has made it easy to move from our specific requirements to their design & development proposals and finally to a finished product...

Dr. Amit Samant - Founder. Chaitanya Hospital.

I and my entire Hospital staff are happy & satisfied with the service and development of complete Hospital Management Software from The DigiMasters. This customised hospital software increased our staff efficiency, performance and ease of work. The team were constantly in touch ensuring the progress of work and timeline...

Father Raymond Rumao - Head Priest. Mother of God Church. Vasai. Palghar

I am really impressed with the support, advice and guidance provided by The DigiMasters team, our church required couple of customised software to smoothen the operations. After initial discussions the team gave me some exceptional ideas to go ahead with our requirements. And this solution was also appreciated by all our church core members...
